About *Us*

OUR PHILOSOPHY

Law is a body of written and unwritten norms and provisions that governs human conduct, maintains order, and achieves JUSTICE. More than a set of rules, law carries the absolute duty of guaranteeing legal certainty and ensuring that every level of society has an equal right to defense before the law. Grounded in this philosophy, we dedicate our integrity and professional expertise to providing transparent legal services, the foundation that guides every professional step we take.

OUR STORY

The Law Office of Randy Raynaldo, S.H., M.H. & Partners was officially established in December 2020 by two founders, Randy Raynaldo, S.H., M.H. and Maruli Tua Sianturi, S.H. The firm was born from a genuine commitment to upholding the values of justice and a sincere desire to support, accommodate, and provide legal services with integrity to anyone in need. These values of struggle remain the core expression of the principles its founders have lived by to this day.

Vision & *Mission*

We are committed to providing the best legal services by upholding loyalty, professionalism, commitment, and integrity in the public interest.

VISION

“To be a law firm that serves and benefits every level of society, based on the principles of Loyalty, Professionalism, Commitment, and Integrity.”

MISSION

- To be a law firm that provides assistance and access to all who seek justice.
- To be law enforcers (Advocates) who provide the best service to their clients.
- To take part in the growth and advancement of legal knowledge.
- To contribute to the national economy through the legal sector.
- To play a constructive role in the law enforcement process.
- To take part in legal development through programs that promote a culture of legal order in society.
- To keep law enforcement in Indonesia moving toward the justice it aspires to, in line with the mandate the law gives Advocates as law enforcers, so that just law enforcement is achieved for all Indonesian people.
